FLORA
BEROLINENSIS:

das ist,

Abdruck

der

Kräuter und Blumen

nach

der besten Abzeichnung

der Natur,

zur

Beförderung der Erkenntniß des

Pflanzen-Reiches

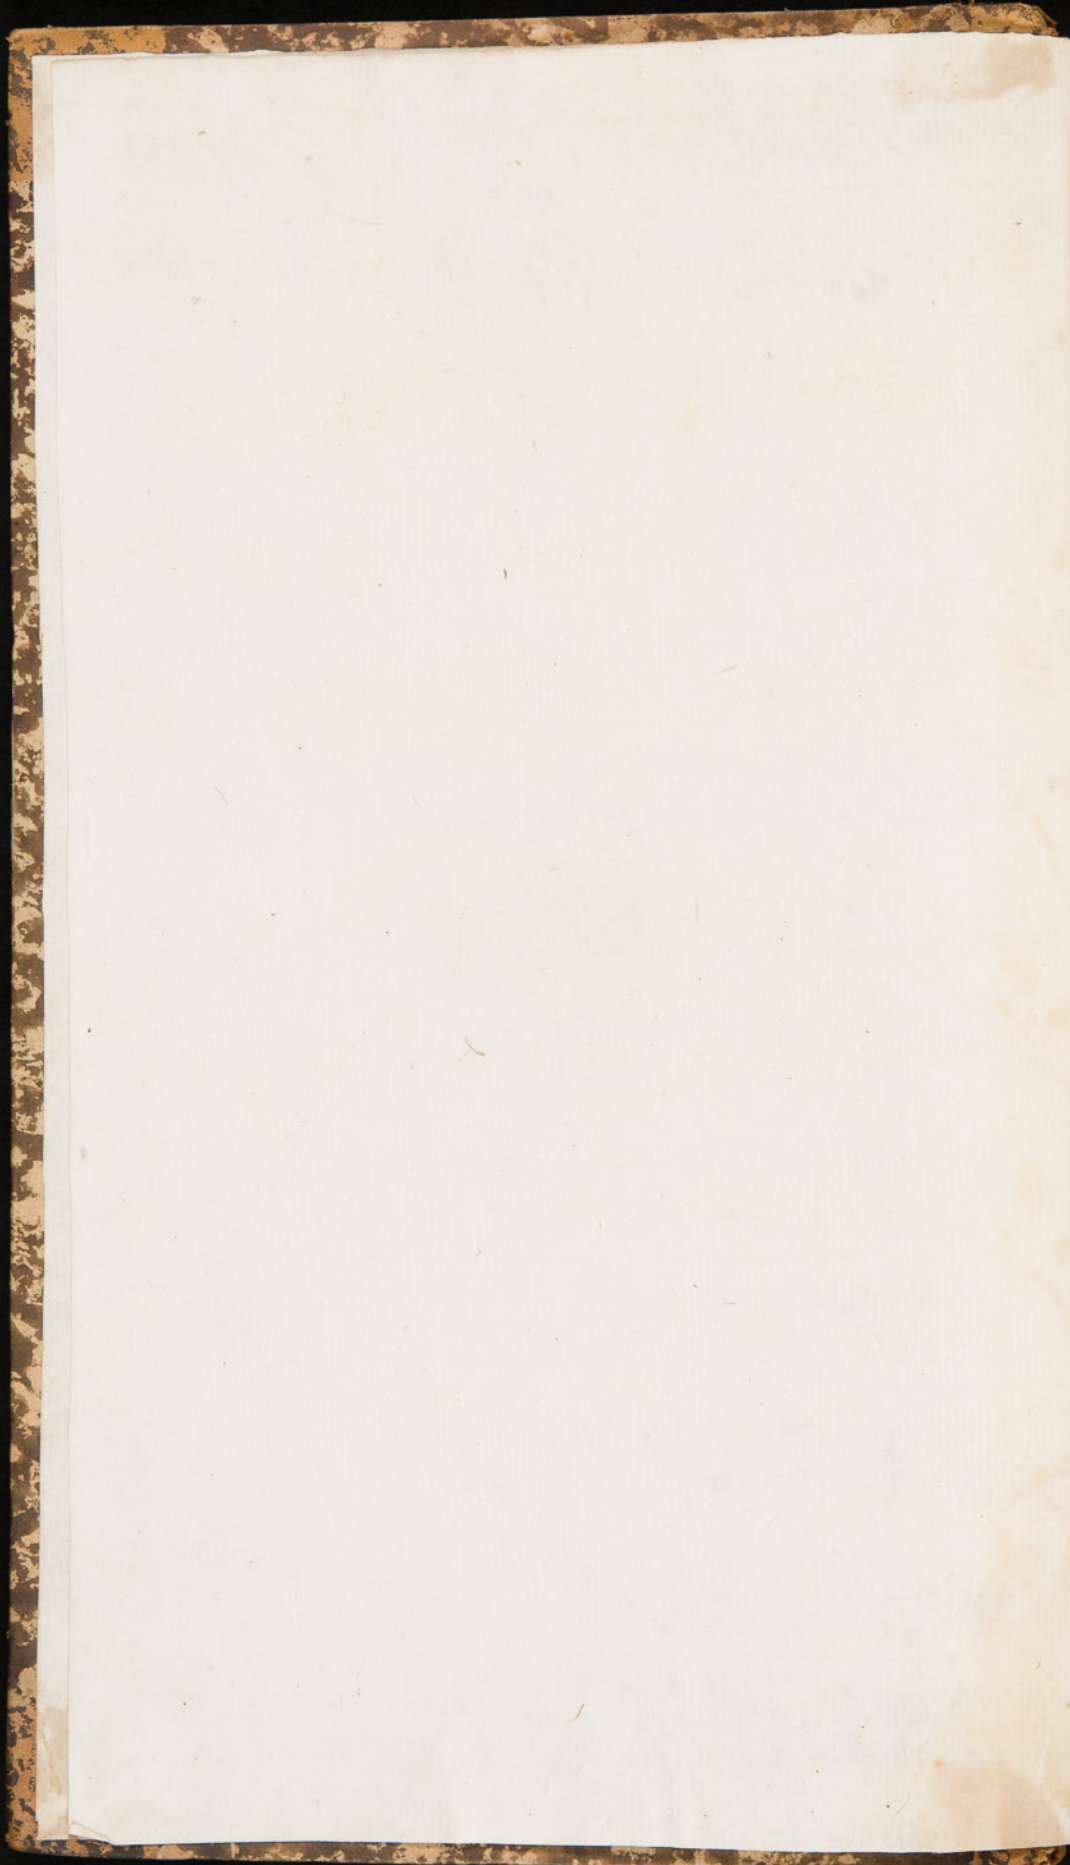

veranstaltet

von der Real-Schule in Berlin.

Centuria I.

Berlin,

zu finden in der Real-Schul-Buchhandlung 1757.

INDEX PLANTARUM

CENTURIAE PRIMÆ.

I.

- A**CHYRANTHUS I, *Linn. spec.* 1204. *Amaranthus Siculus* spicatus, *Bocc. rar. plant. icones* 16. T. 9. Sicilianische Etroh. oder Spreu-Blume.
2. AETHUSA I, *Linn. sp. pl.* 256. *Cicuta minor petroselinio similis*, C. B. P. 160, *Cynapium Riv.* Gletß; Kleiner Garten-Schierling; Hundspeterfite.
3. ALCHEMILLA I, *Linn. sp. pl.* 123. *Alchimilla vulgaris et officinarum* C. B. P. 319. *Pes leonis*. Sinnau; Frauen-Mantel; Alchimille.
4. ALLIUM latifolium, luteum. *Tourn. Inst.* 384. *Moly pyrenaicum flore luteo*, *Rupp. Fl. Jen.* 152. Großer gelber Alpen-Knoblauch.
5. ALTHÆA I, *Linn. sp. pl.* 686. *Althæa f. Bismalina officinarum*. Zibisch; Eibisch; Althæe.
6. AMARANTHUS VII, *Linn. sp. pl.* 990. *Amaranthus maximus*, C. B. P. 120. Großer rother Indianischer Fuchschwanz.
7. AMARANTHUS XI, *Linn. sp. pl.* 991. *Amaranthus indicus spinosus spica herbacea*, *Herm. Hort. Lugd.* 31, Tab. 33. Grüner Indianischer stachlichter Fuchschwanz.
8. ANCHUSA VI, *Linn. sp. pl.* 134. *Buglossum latifolium, semper virens*, C. B. P. 256. Breitblättrige Spanische Dohsen Zunge.
9. ANETHUM I, *Linn. sp. pl.* 263. *horrense*, C. B. P. 147. et officinarum. Dille; Dillkraut.
10. ANGELICA I, *Linn. sp. pl.* 250. *Angelica fatiua*, C. B. P. 155. et officinarum. Bohme Garten-Angelike; Lustwurz; Brustwurz.
11. ARGEMONE I, *Linn. sp. pl.* 509. *Papauer spinosum* C. B. P. 171. Argemone mexicana.
12. ARUNDO IV, *Linn. sp. pl.* 81. *Gramen arundinaceum, paniculatum, montanum, panicula spadiceo viridi, semine papposo*, *Scheuch. Agrofl.* 124. Bergrohr.
13. ASCLEPIAS III, *Linn. sp. pl.* 214. *Apocynum maius, hyriacum, rectum*, *Corn. Canad.* 90. Großer Egyptischer Hundskohl; Türkische Watten-Staude.
14. ASCLEPIAS VIII, *Linn. sp. pl.* 215. *Apocynum minus, rectum canadense*, *Cornut. Canad.* 9. Tab. 93. Kleiner staudigter Hundskohl mit rothen Blumen aus Canada.
15. ASPARAGUS I, *Linn. sp. pl.* 313. *Asparagus fatiua* C. B. P. 489. officinarum. Spargel.
16. ASPLENIDIUM III, *Linn. sp. pl.* 1079. *Varietas quæ Phyllitis f. lingua ceruina maxima undulato folio, auriculato perbasin.* *Pluck. phyt.* 248. Fig. 1. Große krausfaltige Hirschwurze.

17. ATHA-

INDEX PLANTARUM

17. *ATHAMANTHA* VIII, *Linn. sp. pl.* 245. *Meum foliis anethi*, C. B. P. 148. *Meum officinarum*. Wärmurk; Nutterwurk.
18. *ATRIplex* II, *Linn. sp. pl.* 1053. *Halimus f. portulaca marina* C. B. P. 120. Ständige Meermelde mit schmalen Blättern.
19. *BETONICA* I, *Linn. sp. pl.* 573. *Betonica purpurea*, C. B. P. 235. et officinarum. Betonie; Wiesen-Batenige.
20. *CERASTIUM* VIII, *Linn. sp. pl.* 439. *Lychnis incana repens* C. B. P. 206. *Herba patencie vulgo*. Schneekraut.
21. *CHEIRANTHUS* I, *Linn. sp. pl.* 661. *Leucocium luteum*, siluestre angustifolium, C. B. P. 202. Wilde gelbe Widen sonder Geruch.
22. *CHENOPODIUM* IX, *Linn. sp. pl.* 219. *Botrys ambrosioides mexicana*, C. B. P. 238. Mexicanisches Traubenkraut; kleine wästrichende Brustmelde.
23. *COCHLEARIA* I, *Linn. sp. pl.* 647. *Cochlearia folio subrotundo* C. B. P. 110. et officinarum. Köffelkraut.
24. *COMMELINA* IV, *Linn. sp. pl.* 41. *Commelina erecta*, ampliore subcoeruleo flore, *Dill. Hort. Elth.* 94. p. 77. Tab. 88. Ständige Commeline mit großen Blumen.
25. *CYPERUS* XII, *Linn. sp. pl.* 46. *Cyperus minimus panicula sparsa*, flavescente, *Scheuchz. Agrost.* 385.
26. *CYTISUS* III, *Linn. sp. pl.* 739. *Cytisus glabris foliis subrotundis*, pediculis brevissimis, C. B. P. 390. Grüner glatter ständiger Weisklee.
27. *DIANTHUS* I, *Linn. sp. pl.* 409. *Caryophyllus barbatus*, hortensis, latifolius, C. B. P. 208. Cartheuser-Nelken.
28. *DROSERIA* I, *Linn. sp. pl.* 281. *Ros folis folio rotundo* C. B. P. 357. officinarum, f. *Rorella*. Samenthan.
29. *ERYNGIUM* III, *Linn. sp. pl.* 233. *Eryngium latifolium planum*, C. B. P. 87. Berg-Mannstreu-Distel mit breiten Blättern.
30. *GALLIUM* XI, *Linn. sp. pl.* 107. *Gallium luteum*, C. B. P. 335.
31. *GLADIOLUS* I, *Linn. sp. pl.* 36. *Gladiolus floribus vno versu dispositis*, C. B. P. 41. *Victoralis rotunda officinarum*. Runder Altermanns-Harnisch; Runde Schwertwurk.
32. *GLEGOMA* I, *Linn. sp. pl.* 578. *Hedera terrestris vulgaris*, C. B. P. 306. et officinarum. Gundermann; Gunderrebe; Donnerrebe.
33. *HEDYSARUM* XV, *Linn. sp. pl.* 748. *Hedysarum triphyllum canadense*, *Cornut. Canad.* 44. Tab. 45. Ständiger hoher Schildklee.
34. *HERACLEUM* I, *Linn. sp. pl.* 249. *Sphondylium vulgare hirsutum*, C. B. P. 157. *Branca vrsina* f. *scanthus german.* et officinarum. Wärenflau.
35. *HERMANNIA* I, *Linn. sp. pl.* 673. *Hermannia capensis*, *althææ folio*, *Petit. Gazoph.* 53. Hermannie von Cap, mit Weiskleeblättern.
36. *HERNIARIA* I, *Linn. sp. pl.* 218. *Polygonum minus* f. *millegrana maior*, C. B. P. 281. *Herniaria officinarum*. *Ocularia Rivini*. Harnkraut, Bruchkraut.
37. *HESPERIS* II, *Linn. sp. pl.* 663. *Hesperis hortensis*, C. B. P. 202. *Viola matronalis*. *Dod. Pempt.* 161.
38. *HIBISCUS* VIII, *Linn. sp. pl.* 694. *Malvauficus arboreus* flore miniatoclaufo, *Dillen. Eltham.* 210. Tab. 170. Indianischer Pappelrosenbaum mit roten geschlossenen Blumen.
39. *JASIONE* I, *Linn. sp. pl.* 928. *Rapunculus scabiofæ capitulo coeruleo*, C. B. P. 29. kleine Schaf-Scabiofen.
40. *JASMINUM* I, *Linn. sp. pl.* 7. *Jasminum hispanicum*, flore magno extus rubente, J. B. 2. 101. Weisser Catalonischer Jesmin.
41. *JUNCUS* VIII, *Linn. sp. pl.* 327. *Gramen junceum*, folio articuloso, aquaticum, (cum vtriculo) C. B. P. 5.
42. *JUNCUS* XIII, *Linn. sp. pl.* 329. *Gramen nemorosum*, latifolium hirsutum, maius, C. B. P. 7. Großer rauher breitblättriger Waldbinfen.
43. *JUNCUS* XIV, *Linn. sp. pl.* 329. *Gramen hirsutum*, capitulis Pfyllii, C. B. P. 7. Kleiner haarigter Feldbinfen, mit kolbigen Spitzen.
44. *JUNIPERUS* VIII, *Linn. sp. pl.* 1040. *Juniperus vulgaris*, fruticosâ, C. B. P. 488. (mas et foemina) officinarum. Wacholder-Baum, Krammets-Beer-Staude.

CENTURIAE PRIMÆ.

45. KIGGELARIA, *Linn. Hort. Clifort.*
462. Laurus non odorata fructu globoso africana *Sterbeck.*
46. LABURNUM, *Rivini Terrap.* 73. Anagyris altera *Matthioli.* Cyrtus alpinus latifolius, flore racemoso pendulo, *Tourn.*
47. LATHYRUS XVI, *Linn. sp. pl.* 733. Lathyrus luteus siluestris dumetorum I. B. *Hist.* 2. p. 304. Gelbe Wiefens oder Vogel-Wiefen.
48. LAUANDULA II, *Linn. sp. pl.* 572. Lauendula folio dissecto C. B. P. 216. Spanischer Lavendul mit sein zerschnittene Blättern.
49. LENTISCUS V, *Linn. sp. pl.* 1026. Lentiscus vulgaris, C. B. P. 399. officinarum. (foemina) Mastixbaum.
50. LEONURUS I, *Linn. sp. pl.* 584. Cardiaea, *Fuchsf. Hist.* 395. Cardiaea officinarum. Herxandern; Herxgspanntraut.
51. LEPIDIUM VIII, *Linn. sp. pl.* 644. et latifolium C. B. P. 97. Piperitis officinarum. Pfefferkraut.
52. LIGUSTICUM I, *Linn. sp. pl.* 250. Leuisticum vulgare, C. B. P. 157. et officinarum. Angelica montana perennis paludapii folio, *Tourn. Inst.* 313. Liebstickel.
53. LILIUM CONUALLIUM, *Tourn.* et officinarum. Conuallaria Linnæi. Flos conuallium *Riv.* Lilium conuallium album, C. B. P. 304. Mayenblümlin.
54. LOBELIA XI, *Linn. sp. pl.* 931. Cardinalis flore coerulco *Riv.* Rapunculus galeatus virginianus flore violaceo maiore, *Morif. Hist.* 2. p. 466. Blaue Cardinalsblume.
55. LOTUS XV, *Linn. sp. pl.* 776. Doryenium Monspelienium, *Lobel. Icon.* 51. Weisser Jart. und schmalblättriger Rlee von Montpellier.
56. LYSIMACHIA III, *Linn. sp. pl.* 147. Lysimachia orientalis angustifolia. *Comm. Rar.* 93. Tab. 33. Rothe Armenischer Weiderich.
57. LYTHRUM I, *Linn. sp. pl.* 446. Salicaria vulgaris purpurea, foliis oblongis, *Tourn. Instit.* 253. Lysimachia spicata purpurea, C. B. P. 246. Brauner Weiderich.
58. MEDICAGO VI, *Linn. sp. pl.* 779. Medica siluestris floribus croceis, I. B. *Hiji.* 2. 383. Gelber Stein- oder Sichelklee.
59. MELIANTHUS II, *Linn. sp. pl.* 939. Melianthus africanus minor, foetidus, *Commel. Rar.* 4. Tab. 4. Kleiner Honigbaum aus Aethiopien.
60. MENTHA II, *Linn. sp. pl.* 576. Varietas quæ Mentha siluestris rotundiore folio, C. B. P. 227. Menthastrum *Riv.* Wiefenmünge.
61. MELISSA II, *Linn. sp. pl.* 592. Calamintha magno flore, C. B. P. 229. Groesse Italiensche Bergmünge; Römische Bergpoley.
62. MELISSIS I, *Linn. sp. pl.* 597. Melissa Fuchsi. *Camer. Hort.* 99. 30. Melissophyllum *Riv. Monopet.* Groesse falsche Bergmülfse.
63. MILIUM I, *Linn. sp. pl.* 61. Gramen siluaticum panicula miliacea sparsa, C. B. P. 8. Groesser Waldhirse.
64. MYRICA IV, *Linn. sp. pl.* 1035. Laurus africana minor, folio quercus, *Commel. Hort.* 2. p. 161. Tab. 81. (foemina) Falsche Aethiopsche Myrtche mit Eichenlaub.
65. NEPETA I, *Linn. sp. pl.* 570. Mentha cataria vulgaris et maior, C. B. P. 228. et officinarum. Katzenmünge.
66. ORGANUM VII, *Linn. sp. pl.* 590. Origanum siluestre C. B. P. 223. et officinarum. Braune Dosten; Wohlge-muth.
67. OROBUS VII, *Linn. sp. pl.* 729. Orobus siluaticus vicie foliis. C. B. P. 352. Hochwachsendes ständiges Berg-Phasanenkraut.
68. PANICUM V, *Linn. sp. pl.* 56. Gramen panicum spica diuisa, C. B. P. 8. Wilder Pennig; wildes rauhes Zentch-Gras.
69. PETIVERIA I, *Linn. sp. pl.* 342. Stehende Petiverie.
70. PEUCEDANUM I, *Linn. sp. pl.* 245. Peucedanum germanicum C. B. P. 149. et officinarum. Haarstrang; Schwefel-wurz; Saufenschel.
71. PHILADELPHUS I, *Linn. sp. pl.* 490. Syringa alba f. Philadelphus Athenæi, C. B. P. 399. Frutex coronarius *Clusii Hist.* 55. Teutscher Jasmin; falscher Jasmin.
72. PHLOMIS I, *Linn. sp. pl.* 585. Verbascum latis saluix foliis, C. B. P. 240. Saluia fatua flore luteo, *Riv. Monop.* Falsche wolligte Bergsalbey aus Spanien.

INDEX PLANTAR.

73. PHLOMIS VII, *Linn. sp. pl.* 586. Marrubium nigrum longifolium, C. B. P. 230. Hoher staudigter schwarzer Zartartischer Andorn.
74. PLANTAGO XII, *Linn. sp. pl.* 115. Coronopus hortensis, C. B. P. 190. Zahmer Krähenfuß.
75. POLYGONUM II, *Linn. sp. pl.* 360. Bistorta maior, radice magis intorta, C. B. P. 192. Serpentaria mas f. Bistorta Fuchsi. Krebswurz; Natterwurz.
76. POLYGONUM XIII, *Linn. sp. pl.* 362. Perficaria orientalis Nicotianae folio calice florum purpureo, *Turn. Coroll.* 38. Großes Türckisches Stöhsamenkraut mit Tobackesblättern.
77. POLYPODIUM XL, *Linn. sp. pl.* 1091. Filix rhætica tenuissime denticulata, *I. B. Hist.* 3. p. 740. Kleinblättriger langer Waldfarn.
78. POLYPODIUM XIII, *Linn. sp. pl.* 1085. Polypodium vulgare C. B. P. 359. et officinarum. Steinfarn; Engelsfuß.
79. RICINUS I, *Linn. sp. pl.* 1007. vulgare C. B. P. 439. cuius semina sunt sem. Cataputiae maioris. Wunderbaum.
80. RUBIA I, *Linn. sp. pl.* 109. Rubia tinctorum sativa C. B. P. 333. Röhre; Färbewurzel; Färberröhre.
81. SALVIA XVI, *Linn. sp. pl.* 25. Horminum silvestre laundulae flore, C. B. P. 239. Selarea hispanica, *Tabern. hist.* 764. Icon 374. Große Spanische Scharley, mit kleinen Blumen.
82. SALVIA XVIII, *Linn. sp. pl.* 26. Horminum silvestre latifolium verticillarum, C. B. P. 238. Horminum spurium *Riv.* Wilde und falsche Scharley mit breiten Blättern.
83. SAMBUCUS I, *Linn. sp. pl.* 269. Sambucus humilis seu Ebulus, C. B. P. 456. et officinarum. Attig; niedriger Ackerflieder.
84. SCABIOSA XIV, *Linn. sp. pl.* 100. Scabiola africana frutescens, *Herm. Parad.* 219. Tab. 219. Staudiges großes Apostemkraut aus Africa.
85. SCROPHULARIA II, *Linn. sp. pl.* 619. Scrophularia nodosa foetida, C. B. P. 235. et officinarum. Braumwurz.
86. SCUTELLARIA V, *Linn. sp. pl.* 599.

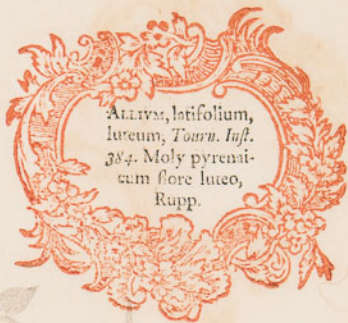

CENTURIAE PRIMÆ.

- Scutellaria folio non ferrato, *Riv. Monop.* Fieberkraut mit ungefarbten Blättern.
87. SISYMERIUM II, *Linn. sp. pl.* 657. Eruca palustris nasturtii folio siliqua oblonga, C. B. P. 98. Sumpfkresse.
88. SPARTIUM I, *Linn. sp. pl.* 708. Genista iuncea, *I. B. Hist.* 1. 395. f. hispanica, *Rivin.* tetrap. Spanisch Psriemenkraut.
89. STACHYS II, *Linn. sp. pl.* 580. Stachys palustris foetida, C. B. P. 236. Stinkender Wasser-Andorn.
90. STAPHYLINUS siluestris. Daucus vulgaris, *Clus. Hist.* 148. Pastinaca tenuifolia siluestris Dioscoridis f. Daucus officinarum, C. B. P. 151. Vogelnest; Wilder Möhren-Samen.
91. STELLARIA IV, *Linn. sp. pl.* 422. Caryophyllus hololeucus arvensis flore maiore, C. B. P. 210. Großes Augentrostgras.
92. SYMPHYTUM I, *Linn. sp. pl.* 136. Symphytum fl. albo. Consolida maior et officinarum. Schwarzwurzel; Wallwurz.
93. TETRAGONIA I, *Linn. sp. pl.* 480. Tetragonocarpus africana, rutilans, foliis longis et angustis *Comm. Hort.* 2. p. 205. Tab. 103.
94. THUIA I, *Linn. sp. pl.* 1002. Arbovitæ, *Clus. Hist.* 1. p. 36. Arbor paradisi. Paradiesbaum.
95. TRIFOLIUM XVII, *Linn. sp. pl.* 768. Trifolium montanum spica longissima rubente, C. B. P. 328. der größte Bergflee mit den längsten roten Blumenstipfen.
96. TRIGONELLA VI, *Linn. sp. pl.* 777. Foenum græcum sativum, C. B. P. 388. et officinarum. Beckshorn.
97. VALERIANA IV, *Linn. sp. pl.* 31. Valeriana palustris minor et Valeriana palustris inodora parum laciniata, C. B. P. 86. (mas) Kleiner Wiesen-Waldrain.
98. VERATRUM I, *Linn. sp. pl.* 1040. Helleborus albus flore subviridi C. B. P. 186. Weiße Nieswurz mit großen grünbraunen Blumen.
99. VERONICA VIII, *Linn. sp. pl.* 11. Veronica mas lupina et vulgarissima, C. B. P. 246. officinarum. Ehrenpreis.
100. VINCA II, *Linn. sp. pl.* 209. Peruinca africana maior. Clematis daphnoides maior, C. B. P. 302. Großes Sinngrün.

ALCHEMILLA L.
Linn. sp. pl. 123.
Alchimilla vulgaris
& offic. C.B.P. 319.

Alisma, latifolium,
luteum, Tournef. Inst.
384. Moly pyrenai-
cum flore luteo,
Rupp.

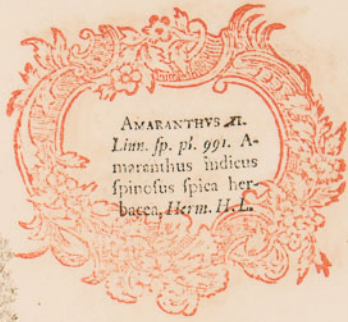

ALTHAEA L.
Linn. Sp. pl. 685. Al-
thaea f. Bismalva
offic.

AMARANTHUS VII. Linn.
Sp. pl. 999. Amaranthus
maximus C.B.P. 129
Zuchschwanz.

ANETHUM L. *Lin.*
sp. pl. 263. hortense,
C. B. P. 147. & offic.

ANGELICA r. *Linn.*
Sp. pl. Angelica foli-
va, C. B. P. 155. &
offic.

ACTHUSA L. *Lin. Sp.*
pl. 256. Cynapium
Riv.

taria vulg. & offici-
narum.

MEDICAGO VI. Linn.
sp. pl. 779. Falcata.
Luv. Sichelstet.

MELIANTHUS II.
Linn. Sp. pl. 939. Me-
lianthus africanus
minor Lætidus,
Comm. Rav. 4.

PETIVERIA L. *Lin.*
Sp. pl. 342. Etiam
dicitur Petiverie.

PEUCEDANUM L.
Linn. sp. pl. 295. Peu-
cedanum offic.

Pantoni 1. li. n. sp.
pl. 557. Salvia fatua,
flore luteo, Riv.

OROBUS VII. Linn. sp.
pl. 729. Orobas syl-
vaticus viciae foliis,
C. B. P. 372.

POLYGONUM n.
Linn. sp. pl. 360. Bi-
storta major & offi-
sinarum, Natter-
wurg.

POLYGONVM XIII.
Linn. sp. pl. 362. Per-
sica orientalis ni-
cotianae folio,
Tourne.

POLYPODIUM XL.

Lin. sp. pl. 1091. Fi-

lix raticica tenuissi-

me denticulara. J. B.

Hist. 3. p. 740.

PHLOMIS var. Linn.
sp. pl. 586. Marru-
bium nigrum longi-
folium, C. B. P. 230.

PLANTAGO XII.
Lin. sp. pl. 115. Co.
ronopus hortensis,
C.B.P. 190.

SALVIA XVI. Linn. sp.
pl. 25. Horminum fyl-
vestre lavendulae flo-
re. C. B. P. 299.

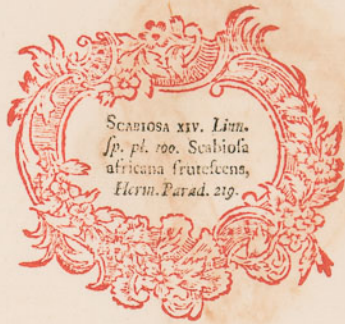

SALVIA XVIII. *Lin.*
sp. pl. 26. *Hormi-*
num spurium, Ric.
Monop.

SAMBUCVS 1. *Lin.*
sp. pl. 269. Sambur
cus humilis f. Ebu
lus C.B.P. 436. offic

Scabiosa xiv. Linn.
Sp. pl. 100. Scabiosa
africana frutescens,
Herm. Parad. 219.

SCROPHULARIA II.
Linn. sp. pl. 619. Scrophularia nodosa
Lutida. C. B. P. 238.
& offic.

SCUTELLARIA V.
Linn. Sp. pl. 599. Scu-
tellaria fol. non
ferrato, Rio.

SISYMBRIUM II. Linn.
sp. pl. 657. Eruca palu-
stris, nasturtii folio,
C. B. P. 98.

RICINUS l. Linn. sp.
n. 1007. vulgaris, C.
B. P. 439. Wunder-
baum.

RUBIA L. *Linn. sp. pl.*
209. *Rubia tinctorum*
Guiva, C.B.P. 33. offic.

STELLARIA IV. Linn.
Sp. pl. 422. Caryo-
hololeucus arvensis L.
majore, C. B. P. 210.

SYPHYTVM 1. Linn.
sp. pl. 126. Confolida
maior & officina-
rum.

TETRAGONIA.
Linn. sp. pl. 480. Tetragonocarpus.

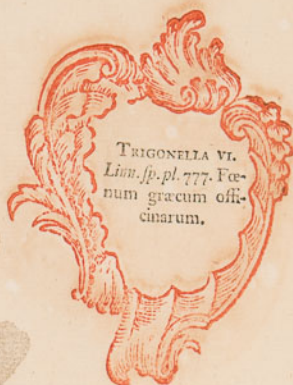

Тавяа і. Linn. sp.
Pl. 1002. Arbor vitae
Clus. Hist. 1. p. 36.

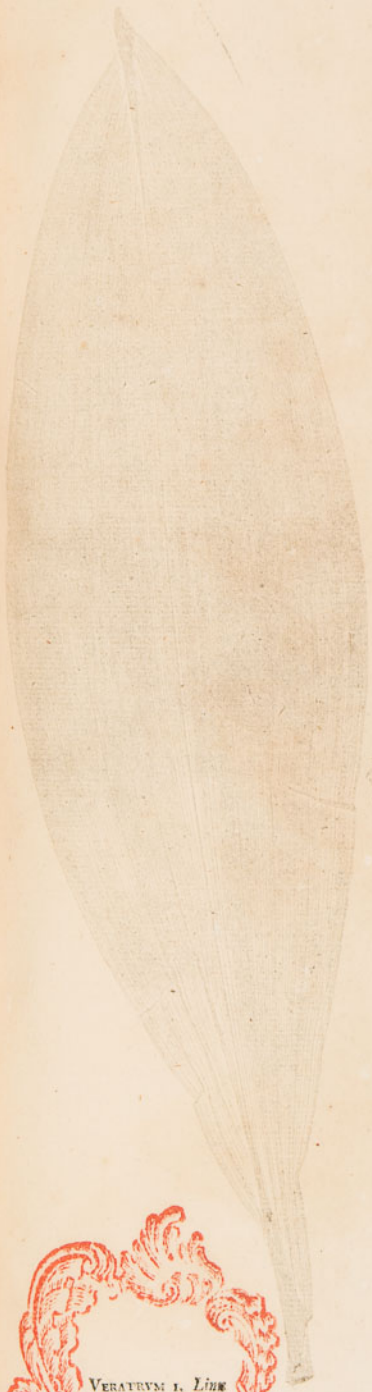

TRIFOLIUM XVII.
Linn. sp. pl. 768.
montanum spica
longissima rubente.
C. B. P. 328.

VERATRUM 1. *Linne*
sp. pl. to. 40. Hellebo-
rus albus fl. subviri-
di, C. B. P. 186.

STACHYS II.
Linn. Sp. pl. 580. Sta-
chys palustris ferti-
da, C. B. P. 236.

phyllata aquatica
mutante flore, C.
B. P. 321.

GOMPHRENA L. *Lin.*
Sp. pl. 224. Amaran-
thus globosus.

HYOSERIS VI. Linn.

sp. pl. 809. Hedypnois

annua, Tourn. Inſtit.

478.

CHEROPHYLUM.
Linn. sp. pl. 259.
Myrrhis Podagra-
ria fol. Rio. Pentap.

CHÆROPHYLLYM
Linn. Sp. pl. 258.
Cherophyllum
viv. perenne cicuta
folio. Toura.

Cox. 1. Liliæ sp. pl.
73. Laccima Jobi,
Bot. Hist. 2. p. 216.

CROTALARIA. Linn.
sp. pl. 757. Crotalaria
asiatica frutescens
trifolia.

GALEGA L. *Lim. sp.*
pl. 714. officinarum
vulgaris, C. B. P. 352.

HYPERICUM VIII.
Linn. sp. pl. 174. Au-
drosteum fœtidum
capitulis filamentis
longissimis donatus
G. B. P. 280.

Iva n. Linn. Sp. pl.
989. Senecio afr. ar-
borecens folio lac-
rato, Barh. H.

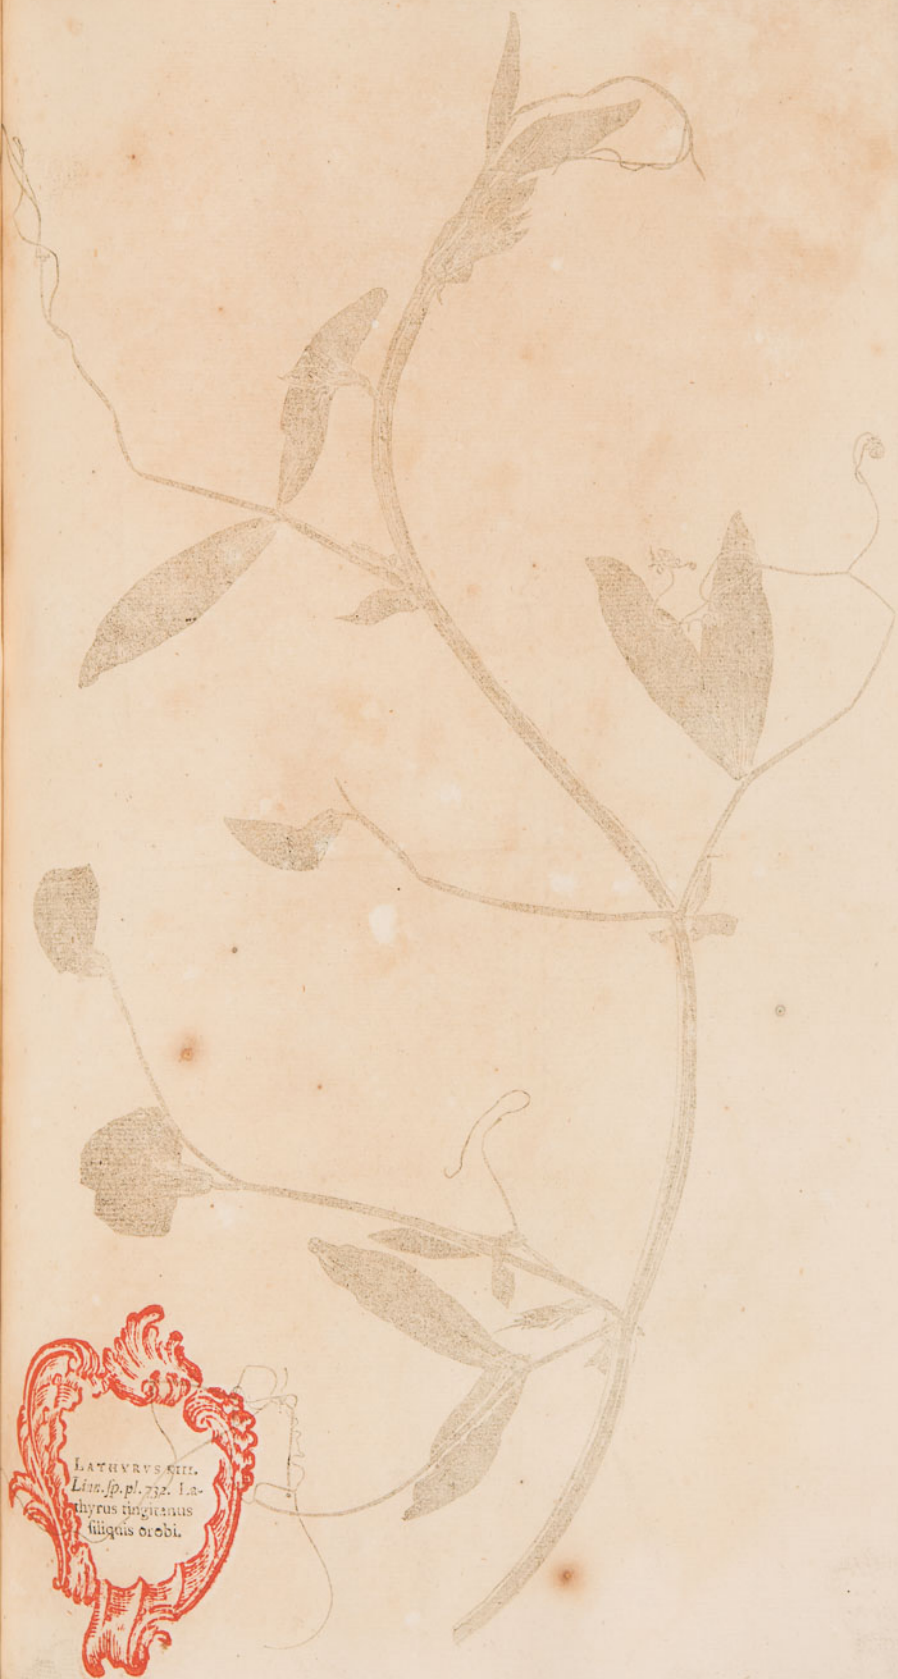

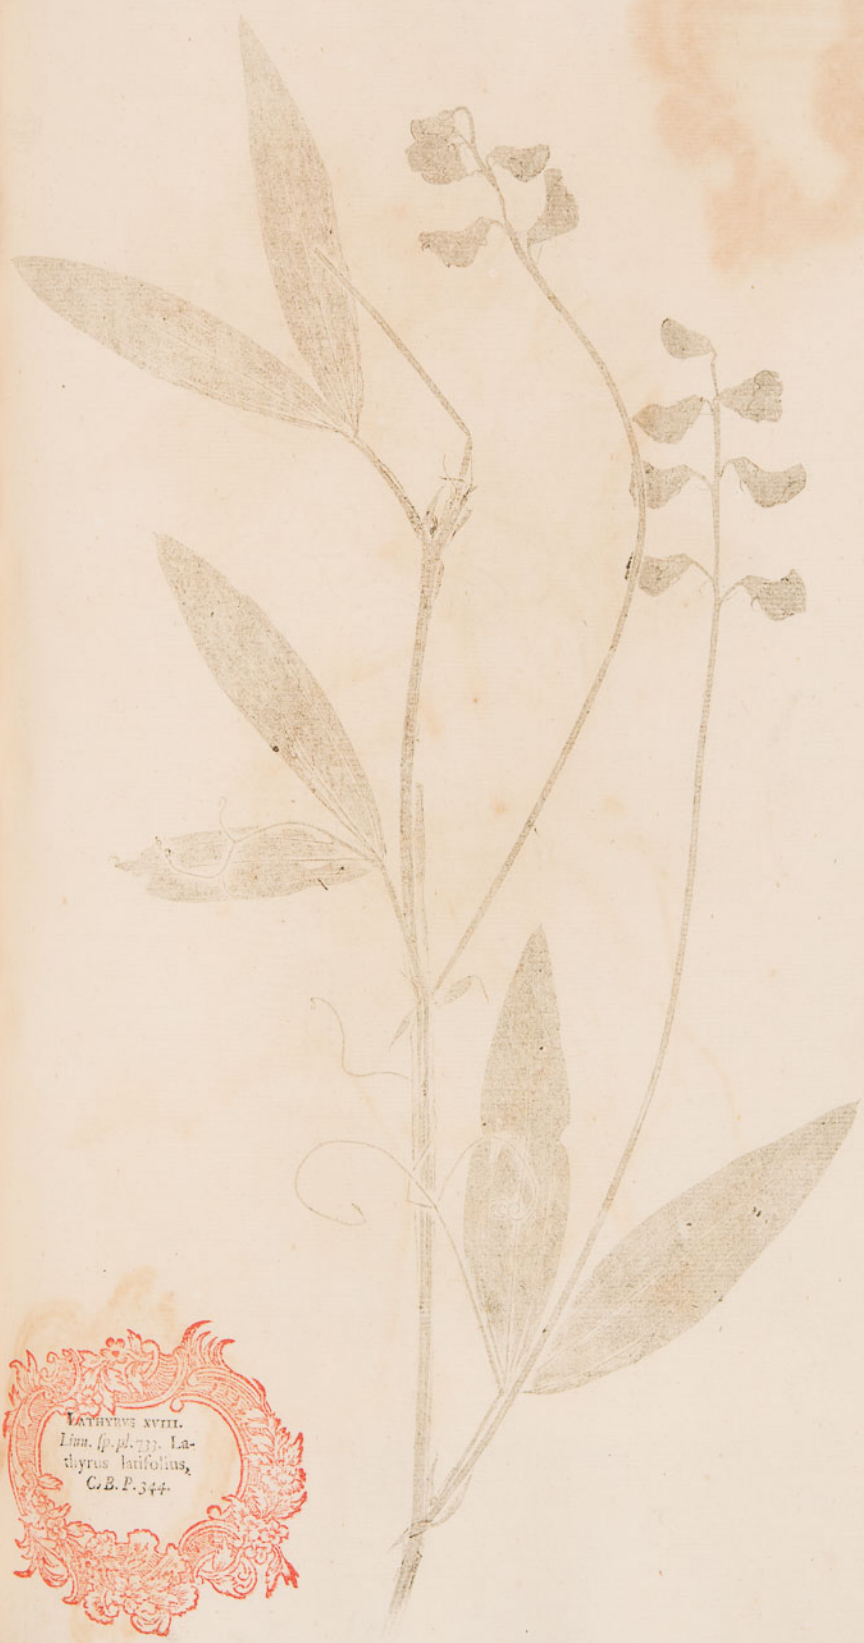

LAVANDULA III.
Linn. sp. pl. 572. Stee-
chas folio serrato,
C.B.P. 216.

LATHYRUS VII. Linn.
sp. pl. 731. Lathyrus
angulilobus folio,
C. B. Prodr. 148.

LATHYRUS GIL.
Linc. sp. pl. 732. L.
Lathyrus tingitanus
Siliquis orobi.

LATHYRUS XVIII.
Linn. Sp. pl. 733. La-
thyrus latifolius,
C. B. P. 344.

LOTYS II. Linn. fr.
pl. 77. Lotus tetra-
gonolobus.

LYCOPODIUM IV.
Linn. sp. pl. no. 101.
offic. Muscus terre-
stris clavatus C. B. P.
360. Gurtel.
1103.

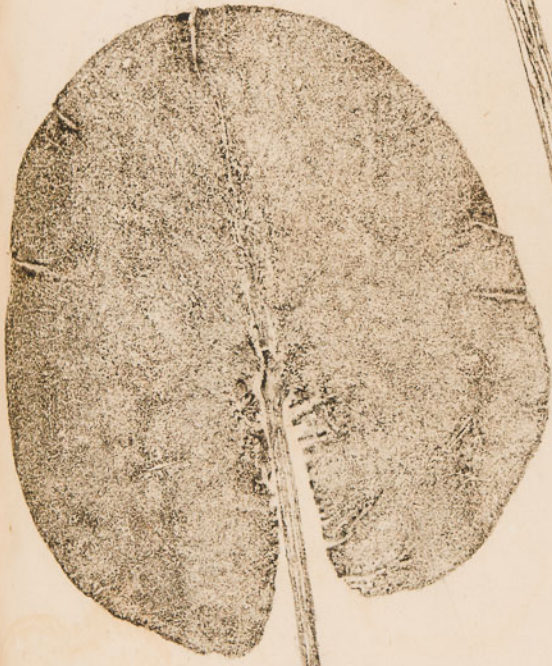

MENISPERMUM L.
Lin. sp. pl. 54. Me-
nispermum cana-
dense scandens.

NYMPHŒA II.
Linn. Sp. pl. 511.
Nymphaea alba
major, C. B. P.
173. officin.

ORYZA. Linn. sp. pl.
311. C. B. P. 24. O. R.
cinarum Nees.

PARIETARIA L. *Linna.*
Sp. pl. 1072. officina-
rum & Dioscoridis,
C.B.P. 122.

PASSIFLORA III. *Lin.*
Sp. pl. 175. Alacranoides
africana frutescens.

PHYSALIS VII.
Linn. sp. pl. 83. Al-
kekengi Virginia-
num fructu luteo.

POTENTILLA X.
Linn. sp. pl. 497.
Quinquefolium re-
gum luteum, C. B.
P. 355.

POTENTILLA XI,
Linn. sp. pl. 497.
Quinquefolium fo-
lio argenteo, C.B.
P. 325.

RANUNCULVS XXVI
Linn. sp. pl. 554. pra-
tensis repens hirsutus.
C. B. P. 179.

Rhus 1. Linn. sp.
pl. 266. Rhus folio
ulmi, C. B. P. 114.
Sumach officin.

Ruys v. Linn. sp. pl.
266. Toxicodendron
triphyllum, gla-
brum, Toxa. lat.
60.

Rydbecia n.
Linn. sp. pl. 907. Obe-
liscorthea integri-
folia radio aureo,
Dill.

SALVIA IX. Linn. sp.
pl. 24. Herminum
silvestre salvisolana
minus, C. B.P. 239.

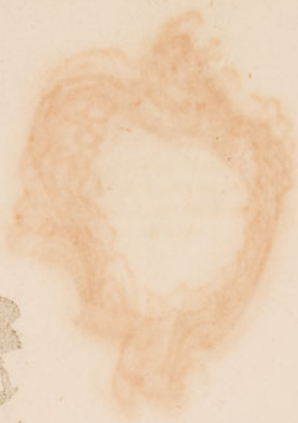

SAMBUCUS III. Linn.
sp. pl. 269. Sambu-
cus laciniato folio,
C. B. P. 456.

SCOLYMVS 1. Linn.
sp. pl. 813. Scolymus
chrysanthemus an-
nuus Dod. Pempt. 4
p. 323.

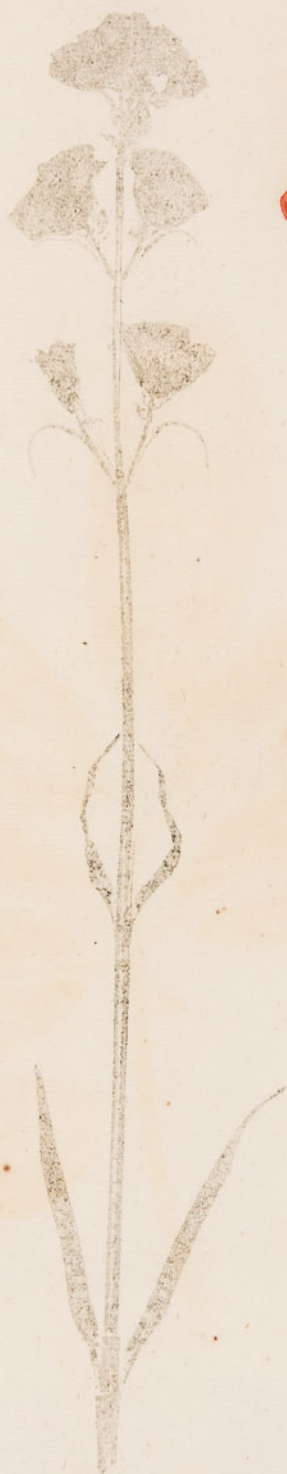

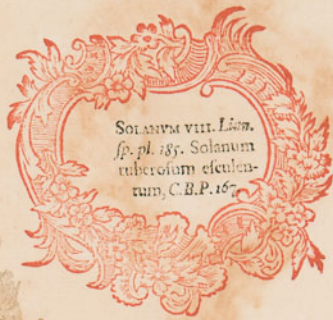

SENECIO *iv. Linn.*
sp. pl. 867. minor
vulgaris C. B. P. 137.
officinarum.

SILVÆ XII. Linn.
Sp. pl. 420. Lychnis
silvestris vilcosa flo-
re pleno.

Solanum VIII. Linn.
Sp. pl. 187. Solanum
tuberosum esculen-
tum, C.B.P. 167

SOLIDAGO n. Linn. sp.
pl. 878. Virga aurea an-
gustifolia, panicula
speciosa, Pluck. Alin.
389. T. 236.

Sorbus i. Linn. sp.
pl. 477. Sorbus ilv.
foliis domestice fr.
mibus, C. B. P. 47.

SPARTIUM VII. Linn.
Sp. p. 709. Genista officinarum.

SPIRAEA L. Linn. sp
pl. 489. Spiraea The-
ophrasti forte Clus.
hist. 1. p. 80.

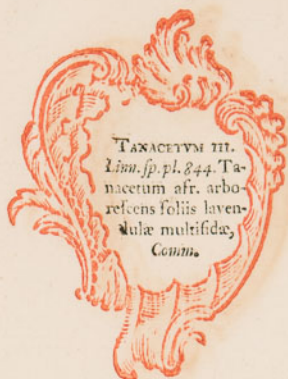

SERRATULA x. Linn. Sp.
pl. 450. Regina prati.
Boed. pempt. 57. Ul-
maria officinarum.

STACHYS 1. *Lian.*
pl. 580. Lamium ma-
ximum, silvaticum
fetidum C.B.P. 237.

TANACETVM III.
Linn. sp. pl. 844. Ta-
nacetum afr. arbo-
rescens foliis laven-
dulae multifidae,
Comu.

TANACETUM VII.
Linn. Sp. pl. 844. vul-
gare luteum, C. B.
P. 132. & offe.

TYSSILAGO III.
Linn. sp. pl. 865. vul-
garis C. B. P. 197. For-
steri officinarum.

VERBENA XIII.
Lin. sp. pl. 2.
Verbena officinalis

VERONICA IV. Linn.
sp. pl. 10. Veronica
spicata latifolia,
C. B. P. 246.

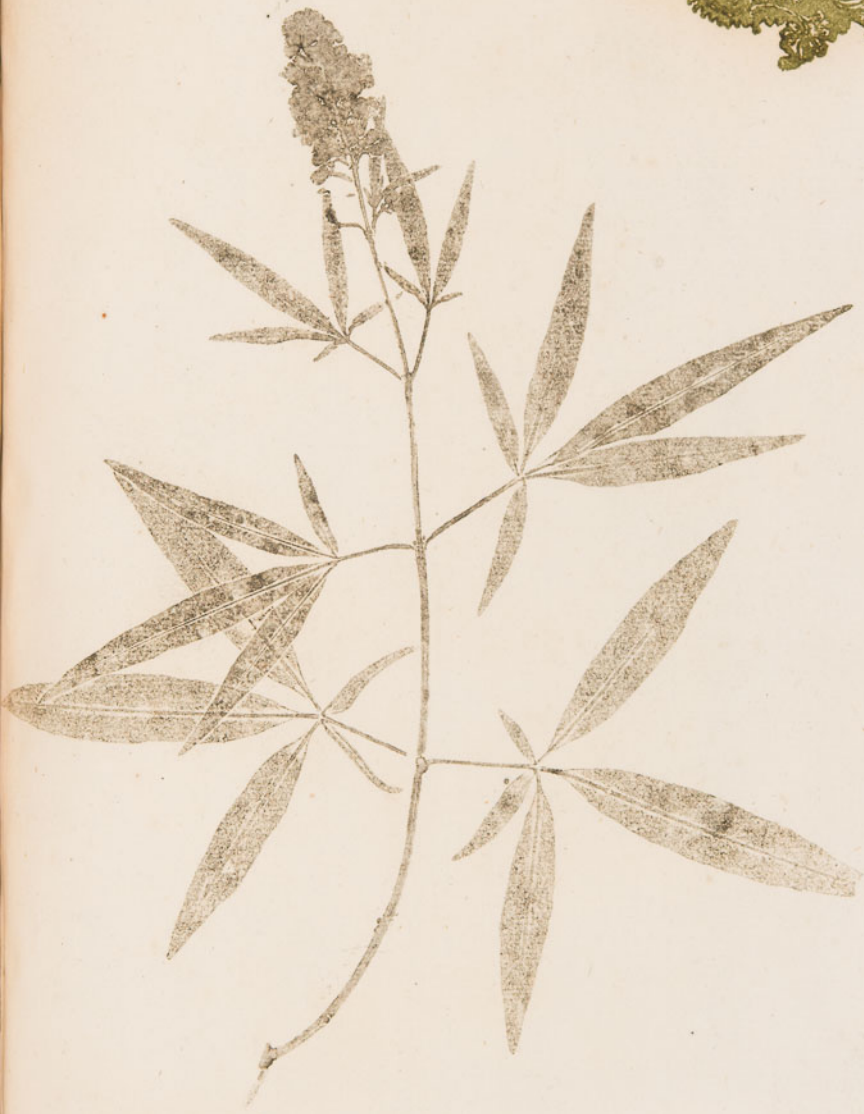

VERONICA XIV.
Linn. sp. pl. 12.
Eccabunga Rio,
& officinarum,
Wachbunge,

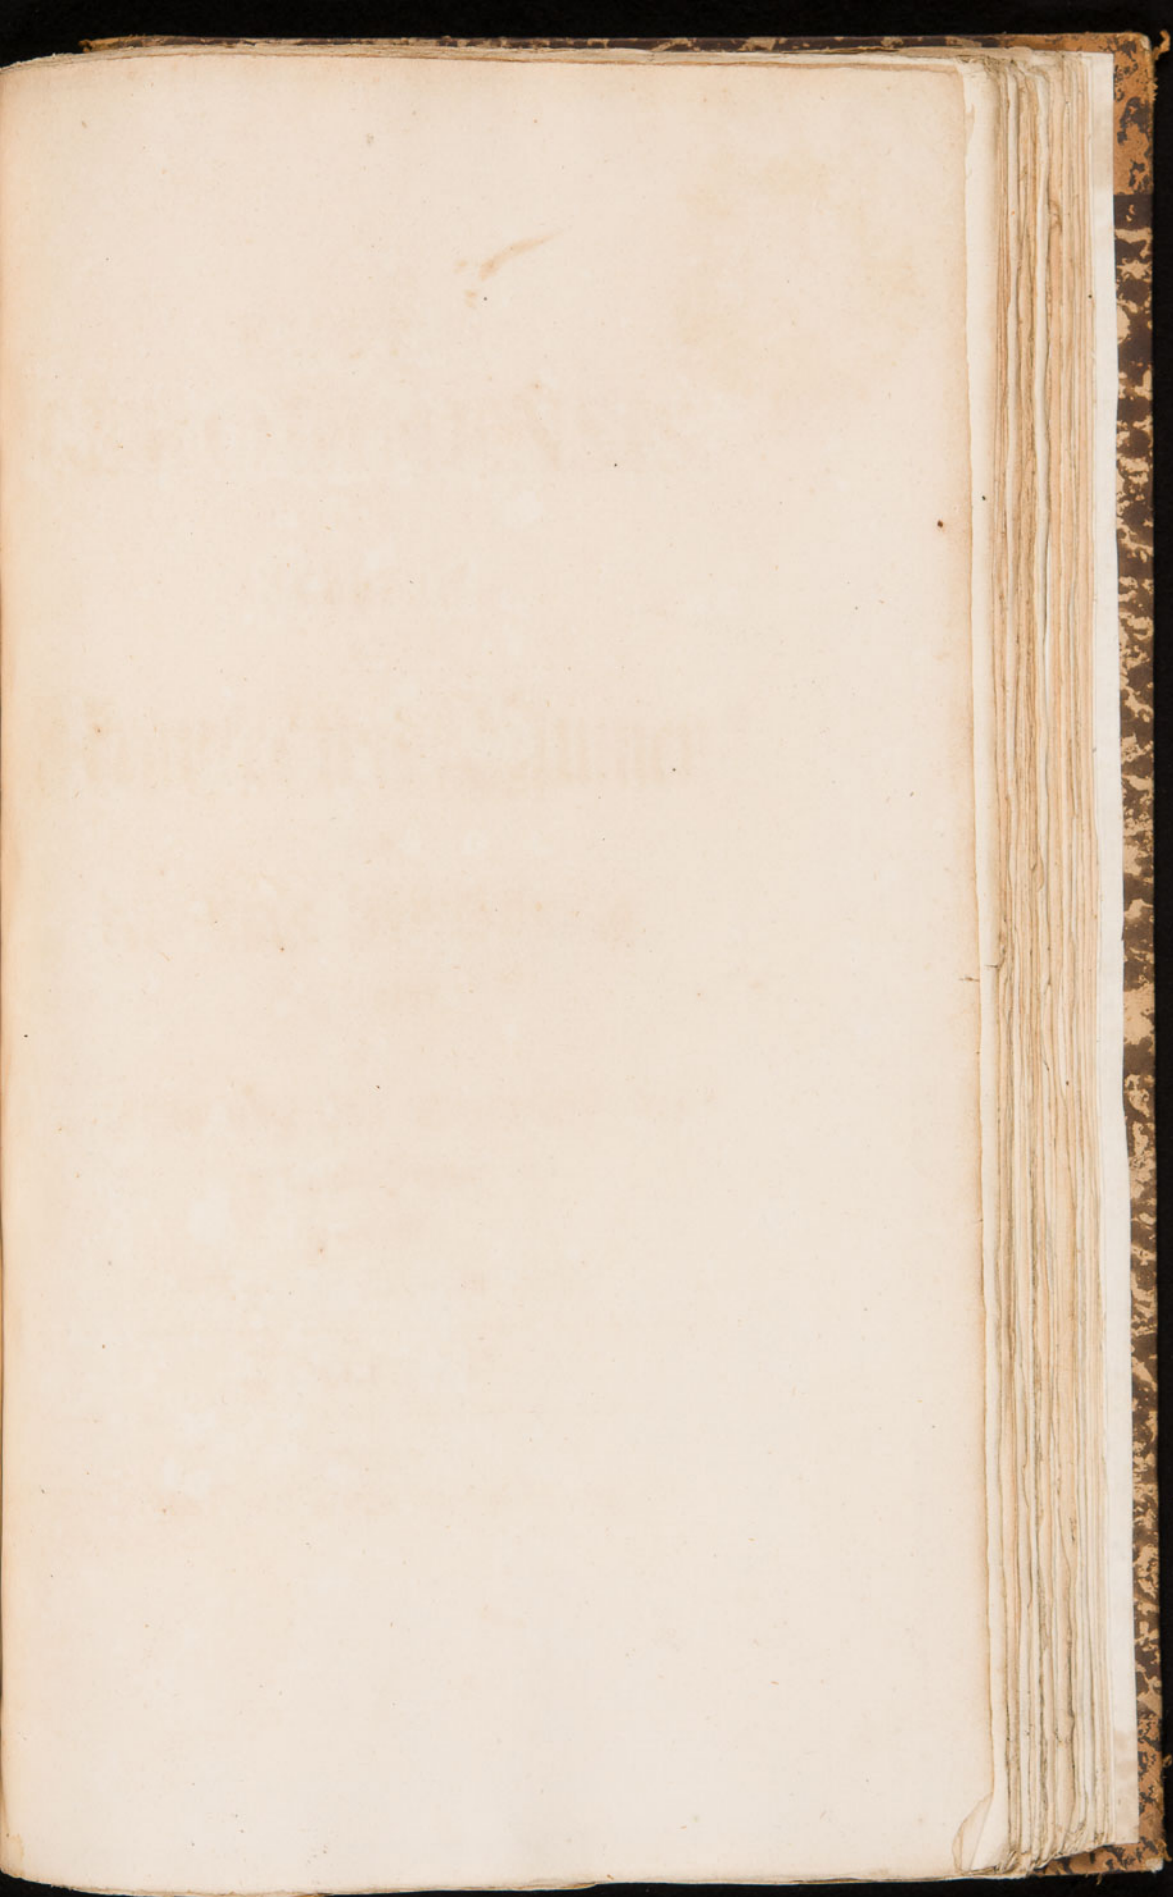

Vicia x. Linn. sp. pl.
756. Vicia sativa
vulg. semine nigro,
C. B. P. 344. officinarum.

VITEX L.
Linn. sp. pl. 938.
Agnus castus
officinari.

VERTICA 1. *Linnaeus*. *sp.*
pl. 983. Vertica altera
pilalifera.

A detailed botanical illustration of the black poppy (*Nigella arvensis*). The drawing shows several upright, slender stems with finely dissected, feathery leaves. Each stem is topped with a large, spherical, spiky seed head (capitulum) composed of numerous small, dark, pointed bracts. The illustration is rendered in a fine-line, engraved style. In the upper right corner, there is a decorative, ornate frame containing the Latin title and classification of the plant.
