

Department of Botany.

Aug 11th 1887

Dr. P. A. Saccardo
Padua Italy }

My dear Sir:

I see
by the notices in journals that
your Fifth volume of Fungorum is
published. Please send
a copy of it to The Botanical
Department Agricultural College
Ames Iowa U.S.A.

The last copy (vol IV) went
on to Lincoln Nebraska, to Mr
Bessey, whom I succeed here,
and that made delay in the
mittance to you.

Yours very truly

Byron D. Halsted
