My dear Sir,

I have received your excellent
"Fungi Italici" with "Michelia" for
which I send you a Post Office
order for $14\frac{5}{2} = 17$ francs
which I think is the right amount.

If you possess duplicates of the
new sp. of *Discomyces* I should
very much like to possess them
in exchange for anything I possess
in my herbarium that may be
acceptable to you.

I remain with much respect

Yours truly
William Phillips.

P. S.

The Post Office people require the Christian name of the person to whom an Order is sent and my servant gave the name of ~~Johan~~ Saccato not knowing your proper name, please to mention this when you present the order for payment.
