Prof. P. A. Saccardo
Dear Sir

Your Postal card
was received stating price of
your illustrations of Italian Funghi.
I was mistaken in the price of
the work & after due deliberation
have concluded not to purchase the
work & to beg you to return me
the money paid you \$12.80 less
expense of return. At the time
I wrote I had intended purchasing
sets of European Funghi & would
then have had use for your
valuable publication. But
matters have since changed
& I cannot carry out my

original intentions.

I am sorry to have put
you to the trouble.

Respectfully
Eugene A. Rau
