

Fordern

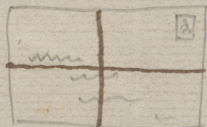

Welshpool. 24 Sep 1879.

Dear Sir.

I have just received Michelia
r. thanks for sending it.

Would it not be well if you sent
the Postal Authorities in Padova & en-
closed the cover I returned to you,
perhaps they would trace Michelia
for you. The loss was not in England
or I would agitate here.

One half of the cover received to-day
was torn from top to bottom, & only
held by the string. I generally use
thick covers & string folded thus

it secures the book.

I enclose you a new Verticillium

Believe me

Yours faithfully
John E. Vase
