

Singapore
Aug. 2/17

My dear Sir:

Your card of the 17th of May has
just reached me here. I have just written
to Mr Merrill in Manila, to obtain for
you, if possible, a copy of Ricker's paper.

I am very glad that you are publishing
on the gungil. I previously sent you and
hope that you will favor me with a
copy of the paper as soon as printed.

I am getting some exceedingly interesting
gungil here in Singapore and would be
very pleased to send them to you for
study and determination.

Yours very sincerely

C. F. Baker
