Prof. Doctor P. A. Saccardo,
Padova, Italia.,

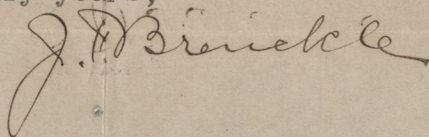

Dear Doctor Saccardo:

With this mail I send you a package containing four fascicles of Fungi Dak. Numbers 15 to 18. Also several specimens of fung \ddot{u} for determination.

My work with the fungi will be interrupted for some time on account of the war as I have been asked to help in the medical department of the American Army. How long I shall be absent from my home I do not know.

Thanking you for your many past favors and wishing you continued health and happiness, I am,

Very truly yours,
