

J. J. DAVIS, M. D.

504 MONUMENT SQUARE.

RACINE, WIS., Jan 18 1907

Prof. P. A. Saccardo, Padova, Italy.

Dear Sir:- As I am not familiar with your language will you excuse me if I write a few words in English?

I enclose a specimen of a fungus the relationships of which puzzles me as well as its relation to the Rhytisma. If you will kindly enlighten me I will be very much obliged.

Yours sincerely
J. J. Davis
