Dear Professor Saccardo,

I am sending you today the Nos. of the Journal of Mycology for the first half of the year 1902. The other Nos. will follow as soon as issued. I thank you for the subscription and for your kind words in reference to the Journal.

I am also sending you a copy of my photograph, as requested, and will be much pleased to receive one of yours in return.

I have the second volume of MICHELIA but so far have not been able to buy the first volume. Can you tell me where I may secure a copy?

Yours very respectfully,

W. A. Kellerman
