DIVISION OF BOTANY,

DEPARTMENT OF AGRICULTURE.

Pretoria,

31st December, 1915

Professor Dr. P.A. Saccardo,
Director, Royal Botanic Institute
Padua,
Italy.

Dear Sir,

Please accept my very best thanks for
your postcard of the 4th November last, and for your
kind determination of the fungus mentioned in your
communication.

I am looking out some of our new species
and hope to send them to you shortly.

Yours faithfully,

I. B. Steyn

CHIEF: DIVISION OF BOTANY
