Dear Sir:

I have your request for further numbers of Vol I of
Phytopathology. These I am sending you under separate cover and
am enclosing also a copy of No 1 of Vol II. I assume you will
wish to continue subscription to the journal and am therefore
enclosing an invoice not only for the year 1911 but also for
1912. I trust this meets with your approval.

Yours very truly,

Donald Reddick
Business Manager.
