FROM
E. S. SALMON.

May 2. 1916

Dear Prof. Saccardo,

Many thanks for your card with its
full information about the wild hop.

Perhaps you will be good enough to ask
Prof. Peglion to let me know where
his monograph on Lupulus is published:
I should like to send him a copy of
a paper recently published on the
variations found in the male hop.

With kind regards, Yours sincerely,
E. S. Salmon.
