URBANA, ILLINOIS

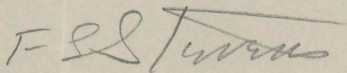

May 11, 1928

Professor Giuseppe Gola
Istituto Botanico della R.
Universita di Padova
Italy

Dear Professor Gola:

I am very greatly honored to have the privilege of subscribing to the memorial for Professor Saccardo. I am enclosing herewith a check to aid you. I am sending a check rather than a post office order because I think that probably would be worth more to you. If, however, you wish me to secure a postal order please return the check and I shall do so.

Yours truly,

F. L. Stevens
Professor of Plant Pathology
